## Roads, Grounds & Security

Two Roads, Grounds and Security Projects are currently underway, the Remote Delivery Facility Secure Access Lane (RDF-SAL) along Route 27 and the Pentagon Secure Bypass (PSB) Lane which involves the rerouting of Route 110 through the Pentagon North Parking lot.

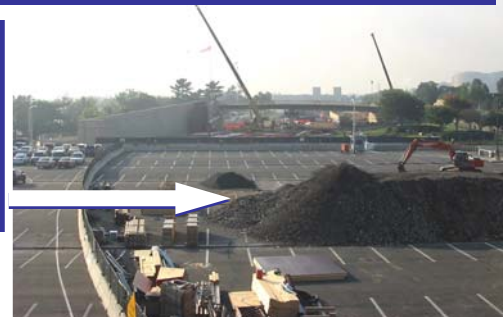

New light poles installed on the RDF-SAL

As traffic switches to the interim RDF entrance, the truck queuing area in front of the guard station takes shape.

## PSB: Phase II Demolition Underway...

The amassed crushed asphalt from the existing parking lot ready for use as sub-grade material
